Sir:

STATEMENT OF STUART L. SOLED

In conjunction with a request to correct the inventorship of the subject patent application, the undersigned, Stuart L. Soled, I declare that I am a coinventor of the invention claimed in the subject application and that the error in inventorship occurred without deceptive intention on my part.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true. I further declare that these statements are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of this application or any patent issuing thereon.
